

## 82°E INTRODUCES JASMINE BREEZE MIST

*Infused with jasmine and peptides, this refreshing face mist instantly hydrates the skin and will be available to purchase only for 82 minutes.*

**National, 21 June 2023:** Global Indian icon **Deepika Padukone's** modern self-care brand **82°E** announces the launch of its latest skincare offering, **Jasmine Breeze, a hydrating face mist**. The limited-drop, Jasmine Breeze, will be available for consumers to purchase only for 82 minutes on June 24, 2023, at 12 noon IST.

Enriched with the rejuvenating properties of **Jasmine and Peptides**, this mist is designed to instantly hydrate the skin, leaving it revitalized. Jasmine, renowned for its antioxidant and calming properties, works wonders to soothe the skin. Enriched with peptides that help boost collagen, this mist provides hydration that is calming and soothing on the skin.

Based on the clinical study done on 50 women, 100% of users agree that Jasmine Breeze is fast absorbing and gives their make-up a fresh look while 90% of users agree that it provides hydration to the skin. The compact and travel-friendly packaging enables it to be easily carried along, making it the perfect companion for instant hydration on the move. A quick spritz of Jasmine Breeze will invigorate the skin leaving it refreshed.

Jasmine Breeze will be exclusively available on [82e.com](https://82e.com) on 24th June for 82 minutes only starting 12 noon IST. This unique limited drop hydrating face mist is priced at INR 820.

In line with the brand's core philosophy, all 82°E products have been rigorously sourced, carefully crafted, and clinically tested. The latest product, Jasmine Breeze face mist is dermatologically and ophthalmologically tested. The product is PETA-approved vegan and cruelty-free and does not contain sulphates, phthalates, and parabens.
